About Romspen

With its origins in the mid-60's, Romspen is one of the largest non-bank commercial/industrial mortgage managers in Canada. The Romspen Mortgage Investment Fund has a portfolio of \$3.1 billion, and invests primarily in short-term commercial mortgages throughout North America. Our investors include high net worth individuals, family offices, foundations, endowments and pension plans.

Fund Objective

Romspen's investment mandate is capital preservation, strong absolute returns and performance consistency. Over the past 25 years, annual net returns have ranged from 7.4% to 10.8% (average 9.1%), with consistent positive monthly performance proving Romspen's successful long-term track record.
